

LVSC Hike Report
Alameda Open Space North - Albuquerque
Friday, 02/07/20

Rating A
Hike Miles 3.9
Elevation Gain 15
Hike Time 2:30

Report A beautiful day for 11 hikers to go for a walk in the bosque. We welcomed 3 new hikers who were wanting to test their abilities on an A hike before attempting anything more strenuous. The usual suspects were spotted. Canada geese. A few cranes and ducks. And thanks to Stevie for spotting a porcupine. Thanks to Don Meadors for once again being driver extraordinaire. And to Carl for the photos.
