

**ASCHG Coordination Group Ad-Hoc Hikes  
RELEASE OF LIABILITY**

This Release is binding on my heirs, assigns, legal guardians, personal representatives and me. I know and expressly assume the risk that a hiking outdoor activity scheduled by us may be dangerous or hazardous, and may result in loss or damage of property, physical injury, or even my death.

I understand that neither the trip leader nor any trip participants are guaranteed to have any training, experience, or expertise with respect to any activity or in any aspect of safety or first aid. With full knowledge of these dangers, I RELEASE the ASCHG Coordination Group and its vehicle drivers, leaders, trip participants, or agents (collectively, the "ASCHG") from liability, claims or demands and agree NOT TO SUE OR OTHERWISE MAKE ANY CLAIM against the ASCHG that may arise during my participation in any activity.

This RELEASE OF LIABILITY will be effective whether or not any loss, damage, injury or death RESULTS FROM THE NEGLIGENCE of the ASCHG. I understand that negligence means a failure to do an act which a reasonable careful person would do or the doing of an act which a reasonable careful person would not do under the same or similar circumstances, to protect himself, herself, or others from injury or death.

I expressly assume the risk of loss, injury or death suffered by me as a result of participating in any activity. I am voluntarily participating in the activity. I am solely responsible for my own equipment, safety and first aid needs. I will take every precaution to provide for my own safety and well-being while participating in any activity.
